The Honorable Ronnie Abrams

**Re: Capitol Records, LLC v. Vimeo, Inc./EMI Blackwood Music, Inc. v. Vimeo, Inc.,
Case Nos. 09-cv-10101 & 09-cv-10105**

Dear Judge Abrams:

The parties write jointly to advise the Court of their respective positions in connection with the status conference scheduled for May 11 at 2:00 p.m. The parties have met and conferred, and submit the following points of agreement and disagreement on how the actions should proceed. Essentially, the parties agree as to the remaining issues to be decided in Phase I, but disagree, in part, on the appropriate procedure and timing to decide those issues.

I. “RED FLAG” KNOWLEDGE

A. Background: The Second Circuit’s decision states that on remand “Vimeo is entitled to summary judgment” under the DMCA safe harbor as to videos for which Plaintiffs showed “no more than that some employee of Vimeo had some contact with a user-posted video that played all, or nearly all, of a recognizable song ... unless plaintiffs can point to evidence sufficient to carry their burden of proving that Vimeo personnel either knew the video was infringing or knew facts making that conclusion obvious to an ordinary person who had no specialized knowledge of music or the laws of copyright.” *Capitol Records, LLC v. Vimeo, LLC*, 826 F.3d 78, 97-98 (2d Cir. 2016). On remand, Plaintiffs intend to submit evidence that they

The Honorable Ronnie Abrams

Page 2

contend is sufficient to defeat Vimeo's motion for summary judgment as to "red flag" knowledge. Plaintiffs estimate that approximately 250 videos out of those previously identified in the schedules to the Initial and Amended Complaints currently fall within this category. Attached are lists of those videos at issue as previously identified in the Initial and Amended Complaints broken down by copyrighted recordings, pre-1972 recordings, and musical compositions. Vimeo intends to challenge any such purported evidence as insufficient to demonstrate "red flag" knowledge as a matter of law.

B. Points of Agreement: The parties agree that the Court will need to resolve whether Plaintiffs' proffered evidence is sufficient to raise a triable issue as to Vimeo's "red flag" knowledge on any videos asserted by Plaintiffs on remand. The parties agree on the following:

- The Court's resolution of any remaining Phase I "red flag" claims should address all videos designated by Plaintiffs in both the initial and amended schedules at the same time.
- By **Thursday, May 18, 2017**, Vimeo will produce to Plaintiffs updated databases of information for certain agreed-upon fields for the videos in the amended schedules.
- By **Thursday, May 25, 2017**, Plaintiffs will produce to Vimeo all screenshots and videos, other than videos in the initial schedules, that Plaintiffs allege remain at issue on "red flag" knowledge grounds.
- Except as provided above, the parties currently do not intend to seek any further Phase I discovery on "red flag" knowledge, although any party may use previous material obtained or provided in discovery and additional material obtained from Vimeo's website, with the opposing party retaining a right to object to such use.

C. Points of Disagreement: The parties disagree as to the procedure that the Court should adopt for determining whether Plaintiffs' proffered evidence is sufficient to raise a triable issue as to Vimeo's "red flag" knowledge on any videos asserted by Plaintiffs on remand.

The Honorable Ronnie Abrams
May 8, 2017
Page 3

Plaintiffs' Proposal:

- By **Monday, June 19, 2017**, Plaintiffs will identify any additional videos on the schedules to the Amended Complaints as to which they intend to allege Vimeo's "red flag" knowledge, and will produce to Vimeo all such screenshots and videos.
- By **Monday, July 17, 2017**, Plaintiffs will file a brief describing the evidence and factual and legal basis in support of "red flag" knowledge as to each video identified as at issue. Plaintiffs propose that the parties include appropriate statements of disputed and undisputed facts.
- By **Wednesday, August 16, 2017**, Vimeo will oppose Plaintiffs' "red flag" knowledge brief.
- By **Monday, August 28, 2017**, Plaintiffs will file a reply.

Vimeo's Proposal:

- By **Monday, June 5, 2017**, Plaintiffs will identify which, if any, additional videos as to which it intends to allege Vimeo's "red flag" knowledge, and will produce to Vimeo all such screenshots and videos.
- Plaintiffs will file a submission akin to an Offer of Proof, in which Plaintiffs set forth the factual and/or legal bases for Vimeo's alleged "red flag" knowledge as to each video Plaintiffs intend to pursue on remand. This submission should be filed no later than **Thursday, June 15, 2017**.
- Vimeo will file a response to Plaintiffs' submission to demonstrate that Plaintiffs' supplemental evidence cannot establish "red flag" knowledge as a matter of law. Vimeo's response should be filed no later than **Thursday, June 29, 2017**.
- No Statements of Disputed or Undisputed Facts should be submitted.
- No further submissions on the "red flag" knowledge issue (including replies or sur-replies) should be permitted.

II. UNFAIR COMPETITION

A. **Background:** The Capitol Records Plaintiffs intend to continue pursuing their state-law unfair competition claims as to sound recordings fixed before February 15, 1972. As a

The Honorable Ronnie Abrams
May 8, 2017
Page 4

result, Vimeo intends to seek dismissal of the state-law unfair competition claims on various grounds as a matter of law.

B. Points of Agreement: The parties agree that Vimeo will move for the dismissal of the Capitol Records Plaintiffs' state-law unfair competition claims, the Capitol Records Plaintiffs will oppose, and Vimeo may reply. The parties agree that discovery is not necessary in advance of this motion, and that if the claims survive they will be subject to Phase II.

C. Points of Disagreement: The parties disagree on the schedule that the Court should adopt for briefing Vimeo's motion.

Vimeo's Proposal:

Assuming that the Court adopts Vimeo's proposal as to how to proceed on Plaintiffs' remaining "red flag" knowledge claims, Vimeo proposes the following schedule:

- Vimeo's opening brief: **Thursday, June 1, 2017**
- Capitol Records' opposing brief: **Monday, June 19, 2017**
- Vimeo's reply brief: **Thursday, June 29, 2017**

Plaintiffs' Proposal:

Plaintiffs propose that briefing on Vimeo's motion as to the unfair competition claims be concurrent with Plaintiffs' briefing on "red flag" knowledge as set forth above; specifically:

- Vimeo's opening brief: **Monday, July 17, 2017**
- Capitol Records' opposing brief: **Wednesday, August 16, 2017**
- Vimeo's reply brief: **Monday, August 28, 2017**

The Honorable Ronnie Abrams

The parties will be prepared to discuss their respective proposals at Thursday's status conference.
